HELPFUL PHONE INSTRUCTIONS

Upon arriving in the town of Andover Maine: If you do not have a cell phone, look for the general store. You will find a pay phone there. You may use their phone if the pay phone doesn't work. Call Lakewood Camps at 207-243-2959, and let Maureen know you have arrived in Andover. (In advance you have already given Maureen an approximate arrival time.)* She will then give you simple instructions to Lakewood's boat dock and parking area at South Arm. The drive is about 20 minutes from Andover. As soon as Maureen hears from you she will send the boat down the lake to

our boat dock in South Arm. (The boat ride is about 20 minutes from Lakewood). Maureen must hear from you before you head to South Arm in order for the boat to meet you at South Arm. Cell phones don't usually work at South Arm and often times no one else is around to offer directions. Beyond the public dock facility, on the left hand side of the road, a sign for Lakewood camps is clearly visible. Once your party has arrived at the Lakewood parking & dock area, park your car and bring your gear on to the dock. Our boat driver will greet you and answer any questions.

Thanks again, Lakewood Camps

* An advance notice of arrival time is necessary so that the kitchen can plan for your lunch in the dining room (or bag lunch) or for the evening meal on your arrival day. It also helps us schedule the boat transportation, and our staff can coordinate your accommodations. Please let Maureen know, to the best of your knowledge, when sending Lakewood your deposit. Thank-you!
